## *Foreword*

There is a time to look back and a time to move on.

The COMUS is like a mirror — reflecting what we have done, what groups we have joined, what games we have played, what we have won and lost. Our yearbook is a record for others and a sort of looking glass for us to evaluate ourselves.

Allentown High School is the wonderland in which we become lost among the experiences in the classrooms. So, we edit and publish this issue of the COMUS. As we turn the pages, we see reflections of ourselves and unforgettable experiences.

In the years to come, as we read “our” book, we will see reflected the good times we had together during our school days. We will recall the cafeteria lines and the assembly programs.

Our three years at high school have been good. We have learned, and we have laughed . . . but the years are gone now. We have a good start and it is time to move on. We’re not coming back. But we remember — everything!

### *RAISING THE FLAG*

Red, White, and Blue, our country's flag,  
O'er freedom's land we raise.  
Canary and Blue, our emblem dear,  
To thee, we sing our praise.

*Main Building*

Erected in 1916 the Allentown High School Building is considered by all of us as our Alma Mater. Thru its halls we have traveled from class to class and have made many friends. From its stage we have performed or witnessed great productions and in its classrooms and laboratories we have learned much.

It is a fine old building filled with traditions that are Allentown High School.

## *ANNEX*

The Annex, adjacent to the main building, is familiar to all students because of the many trips there in fair weather across the walks and in foul weather thru the tunnel. It is a rare student who did not have any classes in the Annex.

The basement houses a cabinet shop, ceramics workroom and the rehearsal room for the band. The print shop and the drafting rooms are on the first floor. The upper floors are devoted to classrooms, most in business education.

## *MACK and FARR*

Remembering that the near building is the Farr Building and that the far building is the Mack Building is the main rule to overcome confusion. These fine residences were converted to house the courses in home-making. There are also a few business education classes conducted in the Farr Building.

## *PALESTRA*

The Palestra, many times crowded to the rafters, has been the setting for many fine basketball and wrestling events. The basement houses a regulation swimming pool and the necessary locker rooms.

This gym is used daily by the boys' Physical Education Department for the regular gym classes.

## *A.H.S. STADIUM*

The Stadium, two blocks west of the high school, is one of the largest school-boy stadiums in the east, seating 22,000 people. Its fine gridiron is encircled by a quarter-mile running track. There is a field house and practice field west of this, and at the far end a modern baseball diamond.

### *LINDEN STREET BUILDING*

A much-needed building, being constructed on Linden Street, is hoped to be completed by September, 1956. With the transfer of the machine and electric shops to this modern-type structure, the high school will be unified on a single locale. There will also be locker rooms, a wrestling gym, band and music rooms, and classrooms.

### *VOCATIONAL ANNEX*

The Vocational Annex on Linden Street is a new and modern shop in all respects. The ground floor contains an up-to-date auto mechanics laboratory. The second floor is the carpentry and plumbing shop. Besides these shop labs there is also all modern equipment for the best type of instruction.

## *NINETEENTH STREET SHOPS*

The Nineteenth Street Shop houses a complete machine, welding and sheet metal shop. It was set up during World War II to train war workers and is now a vital part of our Vocational Technical curriculum.

Next year these shops will occupy the lower floors in our new high school annex.

## *HUNSICKER ELECTRIC SHOP*

Because of overcrowded conditions the Hunsicker Building on North Sixth Street was converted into a electric shop. Here the Vocational Technical Electric Shop boys attend classes and work in the laboratories to prepare for wiring, motor winding, radio and appliance repairing.

After this term these shops will be moved into the new annex on the campus.

## *AUTO BODY and BRICK SHOPS*

Behind the Main Building is a long narrow building that is called home by the brick and the auto body boys. The Brick Shop was converted from the old field house and brick faced by our own boys. The Auto Body and Paint Shop was entirely constructed by the building trade boys. We are proud of their work.

WARREN F. ACKER, 1900

The musical score is written for piano and voice. It consists of five systems of music. Each system has a piano accompaniment on the left and a vocal line on the right. The piano part is in 4/4 time and uses a key signature of two flats (B-flat and E-flat). The vocal line is in 4/4 time and uses the same key signature. The lyrics are written below the vocal line.

All hail our Al - ma Mat - er dear, Our voice of praise and glo - ry hear, To  
Through - out the land, of you we'll sing, Loud will our praise-es ev - er ring, Of  
whom all rev - er - ence we bear, Of you for - get - ful we'll be ne'er, We

# ADMINISTRATION and FACULTY

CLIFFORD S. BARTHOLOMEW

*Principal*

Mr. Bartholomew will linger always in the memories of this year's graduating class. His understanding, friendliness, fairness and helpfulness, we shall never forget. Thank you, Mr. Chips, for making the opportunities given us in high school pleasant and real.

PAUL FATZINGER

*Administrative Assistant*

Right hand man to Mr. Bartholomew, Mr. Fatzinger is a person of many duties. Among these are scheduling assembly programs, checking attendance, advising students, enforcing disciplinary measures, and managing the visual aid program.

### *Our Administrators Accept The Challenge...*

RAYMOND WALLER

*College Preparatory Coordinator*

Mr. Waller holds a relatively new position, that of College Preparatory Studies Coordinator. This position has been established to bridge the gap between high school and college. Added to his other duties, Mr. Waller conducts the testing programs.

## COUNSELORS

LEROY MILLER

MIRIAM BOYER

### *They Counsel Us Wisely . . .*

Aiding students in the choice of a career and guiding them in their education are the tasks of Miss Miriam L. Boyer and Mr. LeRoy K. Miller, our guidance counselors.

In the counseling offices, a great number of pamphlets and catalogues are available to students for use in the selection of colleges and careers. Arrangements are made by the counselors for visitations from college and industrial representatives. Through discussion with the guidance counselors, a student is taught to recognize the advantages, disadvantages, earnings and chances for success in the vocations which interest him.

Through extensive tests throughout the year, the counselors determine in what directions a student's talent and aptitude lies.

In the course of the year, mental ability and scholastic aptitude tests are administered to pupils.

Distributive Education, Business Education, General Course, and Vocational Technical Shop students are advised and guided in the fields which make best use of their abilities and offer them the greatest opportunities. The counseling offices act as a placement bureau for part time and post graduation employment.

The guidance counseling program is of great service to the student body in planning their future. Through guidance counseling, a graduate is better prepared to take his place in society and build a successful future.

## *They Deeply Inspire Us . . .*

Each year we traditionally set aside this page to those members of our faculty who have completed their classroom work and are now stepping into a new world of retirement. We wish them well.

It has been an honor and a privilege to those of us who sat in their classrooms and were permitted to absorb some of their wisdom. Some day their words of guidance and understanding of our problems will be recalled to our minds. Today we are too close to them to appreciate their efforts, tomorrow we will truly see them as they put forth their best to help us.

For them the passing bell, the busy halls, the trying questions, and the bashful pupil will be passe. We pray that the green pastures of retirement will be their's to enjoy for many many years, and that now they may do the things they have put off so long because of the pressure of classroom duties. Good luck and may God be with you.

JACOB M. HORST  
*Head of English Department*  
*Vocational English IV*

The efforts of the English Department are directed at teaching a student to express himself clearly and correctly. Through the teaching of composition, grammar, spelling, literature, public-speaking, and letter-writing, these efforts are rewarded. Classes in speed-reading, remedial reading and journalism round out the English program.

# Mathematics

EARLE H. WEINSHEIMER  
Head of Mathematics Department, Algebra III, Solid Geometry, Trigonometry, Senior Mathematics Review.

Through a fundamental knowledge of algebra, geometry, and mathematics, AHS students develop an ability to analyze a problem and select the proper method with which to solve it. As a result of this, a pupil develops a method of logical and intelligent reasoning which is a necessity for advancement in every phase of education.

A knowledge of biology, chemistry, and physics; and sound reasoning to be used in the solution of the practical problems of life, are the products of the Science Dept. They are produced by experiments, demonstrations, lectures, and audio-visual aids. Through these means, the student acquires an understanding of science and its effect on everyday life.

# Foreign Languages

The prime purpose of the Language Department is to teach the basic rudiments of a foreign language, namely German, French and Spanish. Latin is also offered for three years. It strives to give the student an understanding of other peoples and their customs. To achieve this, the building of vocabulary, supplementary reading, grammar practice and drill are stressed.

# Music and Art

The Music Department offers courses in music appreciation, vocal and choral singing, and instrumental music. Trained leaders stimulate interest and develop talent in the art and music fields and in this way contribute to the school and community.

## Masters In Courses We Love to See and Hear

## *Through These Skillful Hands We Will See . . .*

Printing, drafting, carpentry, automobile mechanics, auto body work, bricklaying and plastering, cabinet making, welding, electric shop, plumbing, and machine shop are taught by the Vocational-Technical faculty to boys planning to enter the industrial field. Under the cooperative program, students divide their time between the shop and business and industry. In this way, the boys gain valuable experience while still in the training period. Time not spent on-the-job is devoted to related subjects such as Related Drawing, Related Mathematics, Related Science and Blue Print Reading plus required Industrial English, U.S. History, Physical Education and Health.

## *Completed But Never-Forgotten*

The COMUS Staff, which is organized during the middle of the junior year, undertakes a difficult task in producing this yearbook. Comus staffs have their work cut out for them because of the high standards that have been set forth in previous years.

Under the guidance of Mr. Genszler, adviser, and the leadership of Gloria Stratos, editor, they collect, rewrite, and edit the copy and pictures, and compile them into the book. The staff is also responsible for the finances of the yearbook which is done chiefly through sales and advertisements.

It is the hope of the staff to capture the leading events of the year and also furnish a record of the members of the senior class.

## *Girls' Debating Society*

### *Great Storms Rise . . .*

The Girls' Debating Society has as its main purpose the development of sound logical reasoning from which comes the desire to satisfy the curiosity with research. Under the direction of the sponsor, Miss Dorothy Schlicher, the meetings are held at the girls' homes every two weeks. Members become better informed on current events, improve their ability to think logically, clearly, and effectively, and develop their speaking skill through formal and informal debates.

### *With Strong Convictions . . .*

The Orotans, a select group of boys interested in debating, meet monthly at various homes. Under the guidance of Mr. Raymond Waller, they prepare and present debates on many local and world-wide problems. They are taught to speak before a group and to stand up under cross-questioning.

This group presents public debates before some of the local service organizations each year. Members also participate in the annual oratorical contest.

## *French Club*

### *Les Jeunes Filles . . .*

Everything French is discussed in the French Club with the help of Miss Dorothy Swope, club advisor. Introducing French customs, French songs, and the French language is a vital part of the club program. Special holiday programs are presented throughout the year, and this year's seniors say "au revoir" to many pleasant hours with the French Club.

*Apparatus Club*

*Dance Club*

## *Enrichment of Character . . .*

### *Apparatus Club*

Under the sponsors of this club, Miss Helen Smith and Mrs. Norma Steckel, members have mastered many gymnastic feats. Each week the girls meet to master tricks and exercises on mats, spring boards, horses, and parallel bars. The results of these exercises promote agility, flexibility, and co-ordination.

### *Dance Club*

The members of the Dance Club meet weekly to learn the fundamentals of tap dancing, folk dancing, and modern interpretation dancing.

Many members of this club become better ballroom dancers and find themselves possessing better co-ordination through the help of the Dance Club.

# ACTIVITIES

## *A Cappella Choir*

The A Cappella choir this year is under the direction of Mrs. Sara Aungst. The choir is composed of ninety voices, some of whom came into the choir from the Girls Glee Club of the previous year.

Thanksgiving and Christmas programs were presented in Assembly for the entertainment of both the faculty and students. They also gave an excellent program for the Lehigh Structural Steel Co. and combined with the Band in a program for the National Convention of School Administrators at Convention Hall in Atlantic City.

We can proudly say that the A Cappella Choir has fully accomplished its purpose of giving pleasure to those who love to sing and entertain.

## *Melodiers*

The Melodiers is a girls' ensemble of twenty-two voices. This group, supervised by Mrs. Sara Aungst, sings for many civic organizations in town. They have a separate program of entertainment until Christmas, at which time they combine into a group of forty-four voices with the extra twenty-two from the Canary Clippers.

## *Girls' Glee Club*

The Glee Club, under the direction of Mrs. Sara Aungst, boasts one hundred voices which blend together into beautiful harmony. Many of these girls advance to the A Cappella Choir for the following year.

Very few of us forget their excellent music in the Christmas Programs and Spring Concerts. We can also be very proud of their outside concerts which entertain the public as well as they entertained us.

## *The Canary Cavaliers*

The Canary Cavaliers is the high school dance band and has added much to our school activities. It is directed by a student leader, James Christopher, and guided by Mr. Albertus L. Meyers.

Besides performing in assemblies as a program in itself, the band accompanies many groups. This was especially true of the Variety Show and Fashion Show. The club sponsors dances in the gym, and the football and basketball dances are made possible by the music of the Canary Cavaliers.

## *Majorettes*

A glamorous collection of high steppers is displayed at Allentown High Schools' football and basketball games. The majorettes present dazzling performances which are never forgotten.

Tryouts for majorettes are held at the end of the school year. All girls who display ability in twirling batons have a chance to be an A.H.S. high stepper.

All majorettes, working under their student leader, Lois MacDonald, always receive enthusiastic applause from all on-lookers.

## *Concert Band*

The Concert Band under the direction of Mr. Albertus L. Meyers, is an outstanding organization in our school. Recently changed from the Concert Orchestra into the Concert Band, the membership consists of 78 students. This year the band journeyed to Atlantic City with the choir to perform in Atlantic City's Convention Hall for the American Association of School Administrators.

## *Marching Band*

Mr. Albertus Meyers and the Allentown High School Marching Band, with its extraordinary marching ability and stirring music, is seen at all outdoor athletic events and at most civic parades. This year, as in the past, the Canary and Blue uniformed band thrilled the spectators with its unique formations and precision marching.

To the energy, skill and enthusiasm of Mr. Albertus Meyers, who spent long hours in marching and drill rehearsals, both on the drawing board and on the field, we must attribute the success of this splendid group.

During the winter season a condensed version furnishes the needed pep for the basketball games.

# *National Honor Society*

With a membership of seniors, the National Honor Society under the direction of Mr. Robert Neely is composed of outstanding students from all high school courses. The counselors, helped by the faculty, select these boys and girls for many qualities such as leadership, scholarship, citizenship, character and integrity.

Because the members are engaged in so many other activities, the Society meets only once a month. The meetings include addresses by members of the high school faculty and guest speakers as well as group discussions of school problems.

Each spring, new members are inducted into the National Honor Society and a picnic is held. Members have the opportunity to take a General Aptitude Test given by the honor societies throughout the United States. The participants may earn scholarships to various colleges if they rank high enough.

## *Student Council*

The Student Council of A.H.S. is one of the most outstanding organizations of our school. One representative from each room is selected to attend meetings and make a report to his homeroom. Any criticism a student has, for or against anything, can be given to the representative for discussions at weekly meetings of the club.

Various schools visit the A.H.S. Student Council during the year to study and observe our group and to discuss common student council problems.

We can be very proud of our Student Council just as all future A.H.S. students will be as they achieve good citizenship among students in the years to come.

## *Canary*

The CANARY, the Allentown High School student newspaper, is published bi-weekly by a staff of approximately fifty students. Competition for a place on the staff is keen and is reflected in the quality of the paper and the many honors it has won in competition with other schools. Besides publishing a paper the principles of journalism are taught to members of the staff in scheduled classes.

Editorial supervision is directed by Mrs. Frances McConnell Bixler while the actual production is done in our own print shop headed by Mr. Ivan Bixler.

# Fashions on Parade

Each year at Allentown High School, the Distributive Education Department sponsors a fashion show. This year's models were all high school girls who exhibited poise, charm, and all other makings of an attractive model.

FASHIONS ON PARADE, the school's eleventh show, was held March 13, 1956, in the school auditorium. In cooperation with fourteen associated Allentown merchants, Mr. Robert Stimmel, coordinator of Distributive Education, presented 75 models, who displayed approximately 150 different styles. Included among the categories were: beach wear, sport clothing, coats, suits, street dresses, and formal wear.

Senior girls: Bernice Bellisfield, Jean Carl, Carol Chipser, Marie Kosman, Arlen Osman, and Gloria Stratos, served as narrators, for the event.

Thus, another major department of Allentown High School helped to bring recognition to our school.

## *Pep Rally*

Before the Bethlehem game our annual pep rally was held in the Gym. This year there was a great deal of enthusiasm and school spirit on display by the student body.

With music, cheers, speeches, and demonstrations by our Majorettes the team was sent off to prepare for the big Turkey Day game.

*The cheerleaders take the floor as the rafters ring with cheers.*

## *Cheerleaders*

We got the pep! We got the steam! This is a picture of the A.H.S. cheerleaders sporting their canary and blue uniforms at all football and basketball games.

The cheerleaders, captained by Susie Palladino, are an inspiration to the student body and to the players.

The A.H.S. cheerleaders, under the direction of Mrs. Norma Steckel, practice vigorously all summer. This can easily be seen by their enthusiastic displays at our games.

# Varsity Football

The Allentown High gridders this year faced perhaps one of the toughest schedules ever arranged for an Allentown High School team. Though the 3-7 record may not look impressive, we have the assurance of our coaching staff that there was a team on the field that gave their best. With only eight seniors returning to the squad there was a huge task of shaping a defensive and offensive team from relatively raw material. The experience gained this year should be reflected in the 1956 team.

Defensively the gridders held their opponents to 148 points and in no game was there an overwhelming score piled up against A.H.S. On the offensive the boys did break through and did score on long runs. Junior quarterback John Donmoyer tossed to Bill Kesack for 6 touchdowns. His teammates John Scheirer, Lloyd Merritt, Joey Addabbo, Bill Kesack, Gary Fisher, Harold Gross, Paul Ruth,

Bob Hendricks, Art Kulp, and John Kraus contributed much to the offensive plays and were responsible for many defensive plays that kept the margin narrow.

The accomplishments of Coach Perry Scott are a proud record to our school and Allentown can hold its head high. The 1955 record is on the books and we are not making an alibi. Some of the losses were heartbreakers with goal line stands halting our scores. We are proud that the boys gave their best and that is the true A.H.S. spirit.

## *Junior Varsity*

The little canaries coached by Mr. Kenneth Wildonger and Mr. Dale Ritter finished the 1955 season with eight consecutive wins and no losses. The JV's held their opposition scoreless in four of the eight games played. Only one team, Wilson Boro, was able to score more than six points against the JV's defensive wall. Harry Lopozonecki quarterbacked the team and with his accurate passing was responsible for a number of the touchdowns. Alfred Ruschatz, Joseph Noti, and Richard Makoul were the powerhouse in the little canary backfield. The line proved itself as can be seen on the record with the opponents scoring only five touchdowns during the season, offensively they paved the way for many of our winning TD's. The little canaries have had their test and have proved themselves. Next fall, we will see many of them wearing the canary and blue in varsity competition. If their record this year means anything, we can predict much for next fall.

## *Varsity Basketball*

After winning 25 consecutive games including the championship of the East Penn League, the 1955-1956 basketball team ended suddenly when our boys lost their first game to Palmerton in the District 11 playoff. Allentown High School is proud of this years smooth working squad that could remain undefeated despite a tough schedule. The team's determination to work together and Mr. Milo Sowards' fine coaching account for this terrific record.

Robert Heffner, a junior, set a new individual scoring record of 557 points. He was also chosen as a member of the first string for the Pennsylvania All-State basketball team. Senior Ken Wolfe, another Canary standout, was given honorable mention.

Of the starting lineup, coach Sowards will be bidding goodbye to seniors: Ken Wolfe, Joe Berghold, Junior Quarterman, Bill Kesack, and Lou Keppel. Bob Heffner, John Canzano, John Olson, Ed Lesko, and John Donmoyer will return next year, but will have strong competition when a well-drilled JV team moves up to the varsity.

There were many exciting moments and some scores were close. A record was set for high scoring when the Canaries looped 100 points against Pottsville through the hoop.

We are proud of our East Penn Champs and the record that they have established.

## *Junior Varsity Basketball*

The junior varsity basketball team, made up entirely of sophomores, this year played 23 games and came out with a 16 win to 7 loss record. Of these, 4 of the losses were of the East Penn League while 3 were of the independent class. The JV record may not be too impressive but coach John Mascavage feels that the boys did very well. They were definitely handicapped in height by having only one starter over six feet. "Bernie" Costello was the leading scorer with 421 points closely followed by Bruce Trotter, Timmy Uhl, and Joe Noti with 237, 229, 180 points respectively. Of course, we realize that these boys are really freshmen to basketball and that they have learned many things this year. Some of them will graduate to the varsity squad and with the background that they have acquired, will give a good account of themselves.

## *Girls' Honor Team*

The game of basketball not only interests boys, but girls as well. Early this winter, approximately 85 girls answered the call for try-outs for the Girls' Basketball Honor Team. Competing against each other for top honors, 24 girls were chosen to represent our Allentown High School. Sophomores, juniors and seniors all had equal opportunities to become a member of this much-acclaimed team.

They practiced long and hard, giving much of their free time after school to better themselves and to really turn out a team of which to be proud.

Under the expert supervision and guidance of Mrs. Patricia Nesley and Mrs. Kathryn Jacobs and with the assistance of managers Connie Morgan and Roberta Reichard, the girls worked together to improve their teamwork.

On January 3, the girls met Catasauqua in their opening game. Although succumbing with a 55-42 score, the girls kept plugging for that long-desired victory.

High scores were Beatrice Stauffer, a sophomore, with 175 points to her credit. Next in line was Senior Barbara Mirth with 60 points and Shirley Smicker, Junior, with 50 points.

Emerging at the end of their season with a 4-4 split record, Allentown High School can feel justly proud of the Girls' Basketball Honor Team.

## Swimming

Allentown High School swimming team coached by Dave Hacket compiled a 6-3 log during its regular season. They copped the District 11 title for the 20th time, placed 4th in the Eastern Regionals, and 6th in the state PIAA meet.

Coach Hacket will be losing nine fine swimmers through graduation. Among them are two outstanding mermen: Dick Black, who was the 1956 High School State Diving Champion in Pennsylvania and Robert Fenstermaker, who was the teams leading scorer with 119 points and a career total of 267 at Allentown High. Bob also won the District 11 and Eastern Regional laurels. Seven other canaries who won District 11 titles were Bruce Kramer who was the teams second high scorer, William Kuhns, Ken Miller, Russ Gall, William Chamberlain, Alfred Pearson, and Richard Piotrowski.

The Canary mermen scored 95 points in the District 11 meet, 27 in the regionals and 19 in the state meet. Overall this season, they accumulated 537 points in nine dual meets and the three post-season meets.

The juniors and sophomores were not too active because of the large number of senior lettermen, but next year they have the chance to prove themselves and to keep up the fine record of our swimming team.

## *Wrestling*

The 1955-1956 wrestling team completed a perfect season with a 12-0 record including the Lehigh Valley and the District 11 championships. Coached by Glen Smith, they piled up the best wrestling record that has ever been achieved for Allentown High School. This was done despite the fact that conditions were unfavorable for practice sessions. Juniors, Richard Baker and Russel Rohrbach and senior, Harold Gross captured the District 11 and the Northeastern Regional Championships while sophomore Alfred Rushatz scored in District 11. Russel Rohrbach rose to state finalist in the Pennsylvania State Championship match and was edged out of the state championship by a referee's decision. He also set a new record for individual scoring with 62 points.

Wrestling this year came into its own and many students and followers of Allentown High School sporting events found a new and exciting event. The majority of the team this year were juniors so next year we can expect a great deal from our wrestling squad.

## Baseball

Allentown High School is very proud of the 1955 baseball team that finished second in the East Penn League. Playing against some considerably rough opponents, the baseball squad emerged with a 9-5 season's slate for a .643 average.

The Canaries in District XI playoff competition dumped Northampton, 12-1, before bowing to East Stroudsburg 5-2.

Kenny Wolfe, Lou Keppel and Bill Kesack led the regulars in the batting department. Wolfe sported a .383 average and Keppel, .368. Kesack, in addition to a .362 slugging average tallied 16 runs and tied Keppel for the most hits, 21.

Dick DeLong captured pitching honors with a score of 5-0 and wiffed 39 enemy batters for coach Kenny Wildonger's charges.

## Track

The track and field boys this year found the going very hard and ended play with a 1-5 for .167 average. Under the competent direction of Mr. Paul Clymer and Mr. Perry Scott, the thin clads won their lone victory at the hands of Boyertown.

Gary Fisher and Alan Anderson — a pair of juniors — garnered 52 points and 34½ points respectively, to spark the track men. Fisher threw the shot put, javelin and discus, while Anderson specialized in dashes and the running broad jump.

Running in line for the most points gathered were Earl Jacoby and Walter Mohr, with 25 points each.

Although winning only one meet, the boys' spirits were never dimmed and they went to every meet with the spirit to win in their hearts.

## Tennis

Under the direction of Mr. Morton Sher, the Canary Netmen completed the 1955 season with a record of one win to five losses. The Oakmont Tennis courts were the home courts for the fighting racquet squad.

Highest scorers for the team were Robert Benner and Roger Christine.

Although winning only one match over Reading, the hopes for the season were never dulled, and the squad was always in there doing their best.

# *Intramural Sports*

Allentown High School realizes that not all boys can make the varsity squads neither should girls be deprived of an active sports program. Hence they have set up an intramural program of supervised athletic competition on a school wide basis.

The girls' intramurals were headed by Miss Helen Smith, Mrs. Patricia Nesley and Mrs. Kathryn Jacobs of the Girls' Physical Education Department. The program included a variety of sports and activities to interest a wide range of girls. For the first few meetings clinics were conducted and the sport to be played was explained and taught. Then teams were chosen and competition began.

Volleyball heralded the beginning of play and over 300 girls divided themselves into 18 teams. Soccer followed and here about 100 girls took part. The eleven outstanding players were gathered together into an Honor Team. Field hockey interested more than 200 girls and the Honor Team in hockey competed with other area high school teams on an informal basis to build up more interest.

During the winter months a ping pong contest had 267 girls battling for honors. Barbara Mirth captured these honors. Barbara Evans was crowned the school champion in the foul shooting contest.

There were 16 teams out for basketball with over 200 girls participating. In spring softball teams will be formed and this will round out a program of intramural games that provided the pleasure of competition to a large group of girls from A.H.S.

The boys' program is headed by Mr. Paul Esser and is planned for the average ability in sports. In fall the Fairgrounds became the home grounds of 8 teams in touch-football. There were better than 56 boys participating. Volleyball called 80 boys and after that basketball took over. This was by far the most popular intramural sport and there were 152 boys on the courts. This spring 22 boys reported to the Municipal links for golf while another group took over the athletic field for softball competition.

For those interested in water sports Mr. Dave Hacket set up a Water Polo League for the boys. Approximately 50 boys divided themselves into 8 teams and splashed about for a lot of fun. For the girls a Life Saving and Synchronized Swimming program was organized. Here 50 girls had a chance to improve themselves in swimming and diving.

The Intramural Program has been by which the great majority of boys and girls have had wholesome supervised recreation. The championship teams were honored in assembly and were presented with appropriate awards. The competition was of a nature that was just enough to make the intramurals interesting. The whole program proved most worthwhile because it served the ones who wanted to be participants but never had an opportunity.

How long remembered the many experiences, developments, and successes will be to the class of 1956. The looking glass reflects the memories of jammed lockers and missing books, worn loafers, pegged trousers, rolled collars, knee socks, and boyish blouses. Through our three never-to-be-forgotten years of high school, we have experienced the tenseness and anxieties of an amateur actor before his first audience, the unsteadiness of one's lower extremities at the thought of reciting a speech, the laboriously constructed term paper, and the crowded lecture rooms and science labs. We have witnessed the development of a new annex, and the development of sound minds and bodies. The successes we have had were many. We viewed inter-scholastic games; some we lost, others we won. We recall the intramural games we strived to win for our respective teams. As we don our caps and gowns to walk down the shaded sidewalks for the last time as a complete class, all of these memories will be left behind . . . but will not be forgotten. Whatever the future holds for us, Allentown High School — our school — has endeavored to prepare us for it. The faculty has done its job; the rest is up to us.

## SCHOLARSHIP STUDENTS

### ARUBA, DUTCH WEST INDIES

Each year, two Aruban boys are sent to Allentown High School on an all-expense scholarship, which is sponsored by the Lago Oil Company of Aruba, a branch of the Standard Oil Company of America. These boys are selected after four years of vocational school on the basis of their improvement, general behavior, teacher recommendations, and interviews. Their courses at A.H.S. are determined by the position they are to fill in this company upon their return to Aruba. While in Allentown, these boys stayed at private homes in the community.

#### ROBERTA RODRIQUEZ

Roberto Rodriquez will work, upon his return, as a trainee in instruments in the Mechanical Instrument Department of the Lago Oil Company. His course included plane geometry, algebra, history, English, and — most important of all to his career — physics. Bobby is one of a family of six — he has three sisters and two brothers. His father is a painter for the refinery. This Aruban lad likes the sea; so, of course, his favorite sports are water skiing and swimming. He likes everything about Allentown and Allentown High School, especially the people here.

#### JUAN NOGUERA

Juan Noguera is assigned to the Utilities Engineering group of the Lago Oil Company. He will be a junior engineer and, will continue in the company school to advance himself. His course included plane geometry, algebra II, United States history, English, and chemistry, the most important to his profession. Juan is one of a family of nine — he has four brothers and four sisters. His father is a crane operator for the company. His hobbies include photography and music, with an emphasis upon the accordion and guitar. Concerning Allentown and Allentown High School, Juan likes the social life here; and likes the way people co-operate with each other.

## *Acknowledgments*

The 1956 Comus Staff sincerely thanks the faculty and personnel for the many varied services rendered us throughout the year. In particular, we express a special thanks to:

MR. BARTHOLOMEW, for his willingness to co-operate with us whenever necessary, throughout the year.

MR. FATZINGER, for his helpful assistance in scheduling the advertising pictures.

MR. HARTZELL, for providing club information and for scheduling Comus club pictures.

MR. MUSSELMAN, for his helpful suggestions in theme selection and theme presentation, and the art department's contribution to the appearance of the Comus.

MR. HORST, and his department, for helping the students complete their Comus biographies.

MRS. KUNKLE and her classes, for their assistance in typing the Comus copy.

MRS. WEINSHEIMER, for her invaluable assistance in keeping the sales records and books.

MR. BLANKOWITSCH, and MR. REICHARD, for taking students to town for advertisement pictures.

MR. BLANKOWITSCH, for providing all statistics and schedules during the sports season.

MR. CLEWELL, for his fine work in taking club pictures for this yearbook.

MR. MIERS and MR. REINHARDT, for the fine printing and engraving of our Comus.

MR. BARTO, for assisting with the financial records.

DONALD HEINTZELMAN and PETER MILLER, for their fine work in taking pictures which have added much interest to this year's Comus.

MR. GENSZLER, our faithful and patient advisor, who has aided us through his ceaseless and untiring efforts, for helping us make the 1956 Comus possible.

To all who may have helped in their own way, but whose names are not specifically listed, we say thank you very much.

# ADVERTISERS

### *To Our Advertisers:*

We thank you, the local merchants, for the wonderful co-operation you have given us this past year, which helped to make the 1956 COMUS a reality. Especially because of our unique style of presenting the ads, we know that they will be looked at over and over again. Your willingness to contribute to the book, and your generosity in doing so are greatly appreciated.

## LEHIGH VALLEY CO-OPERATIVE FARMERS

NORTH SEVENTH STREET

LEHIGH VALLEY CO-OPERATIVE FARMERS are the largest producers and distributors of milk and dairy products in the Lehigh Valley.

Gene Leonard, June Nonnemacher, Thomas Troller, and Nana Pessina watch with fascination the up-to-date packing machinery in operation.

Under rigid sanitary conditions, the milk is pasteurized, homogenized, and packaged by modern machinery like the above.

You can depend on the LEHIGH VALLEY DAIRY, for fine quality milk and dairy products.

## CALL-CHRONICLE NEWSPAPERS

SIXTH & LINDEN STREETS

"Wuxtry! Wuxtry!" No, it's not a come on, It's a CALL-CHRONICLE newsboy selling his wares on a street corner. His job is the end product of a business unique in that it is three-in-one — THE MORNING CALL, THE EVENING CHRONICLE, and THE SUNDAY CALL-CHRONICLE. The CALL CHRONICLE newspapers present up-to-date news, sports and feature articles. They also carry the largest advertising business in the Valley. Marie Fruhwirth is discussing the merits of an ad copy with Louise Sulitan, Lois Wohlsen and Martin Krasnov. Each day the culmination of businessmen's dreams roll over the presses and supply news of merchandise bargains and services to over 95,000 homes in the Lehigh Valley.

The services rendered to the community thru the various features of this paper make the CALL CHRONICLE the Lehigh Valley's Greatest Newspapers.

## NEW YORK FLORAL SHOP

NINTH AND HAMILTON STREETS

All girls approve when boys "Say it with Flowers," from the NEW YORK FLORAL SHOP. Among the lilies, Anita Carr wears a regal tiara and a waist corsage of spring flowers. Gloria Stratos elegantly displays her orchid wrist corsage while Louise Reinbold holds a colorful Colonial bouquet. Flowers offer a wonderful appearance for many unforgettable events. Be sure to see NEW YORK FLORAL consultants for good taste in flowers for all occasions.

## MIERS-BACHMAN LITHOGRAPHING COMPANY

330 SOUTH WEST STREET

Seemingly engrossed in the operation of the press, Lawrence Hottel, Richard Shaner, Robert Becker, and Norman Rabenold view the production of colorful labels, as the paper flows thru the press.

This press is one of many machines involved in lithographing and printing. The MIERS-BACHMAN LITHOGRAPHING COMPANY at 330 South West Street is one of the most up to date companies, with its various methods and intricate processes of production. As proof of the quality printing done by the MIERS-BACHMAN LITHOGRAPHING COMPANY, we offer our 1956 Comus, which rolled over these same presses this spring.

## FIRST NATIONAL BANK OF ALLENTOWN

### MAIN BANK

Northeast Corner Center Square

### 19TH STREET BANK

19th and Liberty Streets

### SOUTH CENTER SQUARE BANK

Southeast Corner Center Square

### EMMAUS BANK

Main and Chestnut Streets, Emmaus

Jean Caciola and Ellen Butterworth listen attentively as Mr. James O. Huffort, Assistant Cashier and Public Relations Officer takes them behind the scenes to explain their electro-file system. In this way, along with many other new systems, the FIRST NATIONAL BANK uses machines which assure its patrons of accurate records and more rapid service. Stop at any one of its four banks, established for the convenience of the public, and be sure of good service in style.

## NORTHERN HOMES, INCORPORATED

1634 UNION BOULEVARD

A new home is the dream of every young couple. The McCann Organization can furnish that "Dream Home" and can arrange the terms so that it can become a reality.

Maybe a bit premature, but Barry Wells, Janet Holmes, Robert Russoli and Helen Schrieber are looking over the catalogue of NORTHERN HOMES. They have inspected the sample home and now are looking at other styles.

For quality materials at a price you want to pay they agree that NORTHERN HOMES are the best buys.

## THE MERCHANTS NATIONAL BANK

MAIN OFFICE — 702 Hamilton Street

BRANCH OFFICES — Tilghman Street at Ridge Avenue, North Seventh Street at Penn Fruit,  
South Lehigh Street at Food Fair

THE MERCHANTS NATIONAL BANK is known as YOUR FRIENDLY BANK. It has served the people of the Lehigh Valley for more than fifty years. Mr. E. A. Burkhardt, Assistant Cashier, is giving advice to five employees from Allentown High School, Faye Reimert, Ruth Fahringer, Jean Kirchman, Barbara Smith, and Carole Morganstern. They agree that all seniors should open an account at THE MERCHANTS NATIONAL BANK and enjoy courteous service in all phases of the banking business.

## LEHIGH VALLEY TRUST COMPANY

MAIN BANK  
634 Hamilton Street

NORTH BRANCH  
7th and Tilghman Streets

Follow the advice of many satisfied patrons and open your new account at LEHIGH VALLEY TRUST COMPANY where you will find the most courteous and dependable banking service.

Thelma Moyer and auditor Robert W. Gemmel are assisting Jane Crilly and Ira Adler in making a savings deposit.

Jane and Ira definitely agree that the LEHIGH VALLEY TRUST COMPANY banking service cannot be matched for congeniality.

LEHIGH VALLEY TRUST COMPANY is interested in your standard of living and offers a large variety of service to make your future secure.

## H. LEH & CO.

626 HAMILTON STREET

Attractive displays and smartly styled clothes are fashioned to catch the customer's eye at LEH'S. Here Rita Kline, Judy Knoll, and Eileen Krause smile admiringly at H. LEH & CO. staff member, Miss Carol Apgar, showing them a lovely blouse. LEH'S, famous for its sportswear, features nationally famous brands as: Mylon Louis Suits, Co-ordinates by Majestic, Skirts by Century, Sweaters by Talbott, Blouses by Morlove and many others. H LEH. & CO also houses big name designs in other apparel, household appliances, furniture and useful items found around the home.

## Ritz Barbecue

Enjoying after school sodas at RITZ BARBECUE are William Heimbach, Patricia Heffernan, Judith Breisch, and Calvin Deck. Today they passed up delicious hamburgers, hot dogs, barbecues, and steak sandwiches for a giant milkshake and a steaming cup of coffee which they agree are wonderful after-school snacks.

## Witwer-Jones Company

923 HAMILTON STREET

The safe way to handle a rifle is explained to Barbara Mirth by Mr. Charles Bott of WITWER JONES COMPANY. In all lines of sports equipment, from a baseball to an outboard motor, the WITWER JONES Sporting Goods Store stands ready to help so that you get the most enjoyment from your purchase.

## Wetherhold & Metzger

Central City Store    UpTown Store  
719 Hamilton St.    953 Hamilton St.

Lois Keller and Peggy Kishbough are listening attentively as Mr. Swavely, their salesman, explains the top quality features of Town & Country and other "Famous" Shoes.

Customers have learned to anticipate only the finest in shoes at either WETHERHOLD & METZGER UpTown or Downtown Stores.

## Held's Pharmacy

522 N. 19TH STREET

Finest for cosmetics and sundries of all sorts, HELD'S shows its patrons most courteous and friendly service.

Phyllis Poresky makes a purchase from Catherine Eckel as Frederick Wisser, Ray C. Held and other clerks look on.

## One-Hour Martinizing

1005 HAMILTON STREET

Don't go out on a date with a soiled suit or dress. In just one hour your outfit will be as good as new if taken to ONE HOUR MARTINIZING. Elsa Steinbicker and Elaine Parks are checking in some clothes for cleaning to Myrtle Minnich.

## Emil Otto

639 HAMILTON STREET

With slight alterations Jackie Derr believes this party dress from EMIL OTTO'S is exactly what she needs. Glenna Fink seems to approve. Mary A. Stein is suggesting either the white fur or the satin coat to complete the outfit. EMIL OTTO'S racks are filled with many other beautiful coats, suits, and dresses to satisfy the most discriminating tastes.

## Brass Rail

1137 HAMILTON STREET

Just imagine yourself biting into a delicious steak sandwich. Susan Palladino sure enjoys hers and Paul Ruth is offering a Coke-toast to the occasion. Their Pizza Pies are just as tempting. That is why the BRASS RAIL is the favorite lunch stop for teenagers who want the best.

## Young's Hardware

740 HAMILTON STREET

In the sporting goods section of Allentown's only quick-service hardware store we find Arthur Schmoyer and Carl Engler interested in fishing equipment.
